<p style="text-align: center;">Artificial Contraception</p> 	<ul style="list-style-type: none"> - Artificial contraception means using something to stop yourself from getting pregnant. This could be a condom, the pill or a device like the coil. - Family planning means using the natural cycle of fertility which women go through to predict when a woman would be least fertile. It is much less effective than artificial contraception. - God tells Adam and Eve (the first couple) to <i>"be fruitful and multiply"</i> (Genesis 1:2) which encourages them to have children. ☑ The Catholic Church argues that all sexual acts inside marriage must be open to procreation (having babies) and that a baby is a gift from God. They may use family planning as it is a natural method. ☑ The Church of England argues that contraception should be allowed so that couples can take time and consider if they want to have children. 		
<p style="text-align: center;">Marriage and Divorce</p> 	<ul style="list-style-type: none"> - Marriage is a religious and legal ceremony in which two people make vows (promises) in front of their friends and family and (if in a church) in front of God - During the ceremony you agree to be together for life saying <i>"til death do us part"</i> (Marriage Ceremony) - Divorce is the legal break-up of a marriage. It is legal in the UK and many marriages currently end in divorce. - Many Christians do not like it as it is seen to break the promises made in a marriage. ☑ The Catholic Church do not support divorce. They believe that sex after divorce is a form of adultery and you cannot get remarried in a Catholic Church once you have been divorced. Jesus says <i>"if a man divorces his wife [...] he involves her in adultery"</i> (Matthew 5:32) ☑ The Church of England accepts divorce, especially if it is for reasons of abuse but you have to receive special permission to get remarried in a church. They might see it as a merciful option.

<p style="text-align: center;">Gender</p> 	<ul style="list-style-type: none"> - Gender equality means that men and women should be equal and given the same rights and opportunities as each other - In the UK women can face gender prejudice and discrimination where they are not treated equality - The Catholic Church argues that women have a special role as mothers and they do not allow women to be priests - The Church of England has allowed women priests since 1994
