

13th October 2020

Dear Parent/Carer,

Year 10 Parents' and Carers' Information Evening – Tuesday 20th October 6pm (online)

We would firstly like to thank you for your ongoing support throughout such a difficult year. As we all know, this is an incredibly important time for our Year 10 students and we've been extremely impressed with the focused approach towards their studies since their return to us in September.

On 20st October, we will be holding our Y10 Parents' and Carers' Information Evening and we hope that you can join us 'virtually' for this occasion.

This evening will include:

- Our Vision and Learning Values for all students
- How your child is taught (including remotely) and how they can study effectively to prepare for their GCSE exams
- A presentation from English, maths and Science about the GCSE courses
- Assessment and reports home
- Careers and further education advice
- How you can help and support your child, including purchasing optional resources e.g. revision guides

The evening is aimed at both parents/carers and students. To attend virtually, all you need to do is click on the link below and join via Google Meet. The meeting will start at 6pm and last around 45 minutes. There will be the opportunity to ask questions via the 'chat' function where you can type in questions and we will answer them at the end of the presentation. The meeting will be recorded so please ensure your camera and microphone are turned off.

We have also created a video with generic information for parents so that you can watch this before the evening. This includes information on Behaviour and Attendance, Remote Learning, Assessment and Reporting and Personal Development for all year groups.

We look forward to 'seeing' you on the night.

Thank you for your support.
